2012 Missions Weekend

From Doug Conkle:

My wife Karen and I started international ministry in 1977 in Burkina, serving as church planters for 17 years among several unreached people groups. In 1994 we moved to the city of Bobo Dioulasso so I could 'fill in' as Field Director for a year, which turned into 11! We then spent 6 years setting up a church planting team in Senegal.

In February we returned to where we started, church planting among the unreached peoples in the Banfora area of southern Burkina. We are focusing on the Dogose people, working with local Alliance pastors and leaders to reach them for Christ.

Our five children grew up in Burkina and are now spread around the world, and they are all serving the Lord.

And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.
